Re: Audit result

On behalf of the Service Auditors, we thank you for your cooperation during the self-audit of your Service Centre located at:

Service Centre location: Street name: Těžební 1238/2
City: 62700 Brno
Country: Czech Republic

The Service Centre was audited for a certification on a special certificate for ECS (Energy Cylinder Systems) and we are pleased to announce the classification:

Energy Cylinder – Field Service Centre

This certification is valid for 4 years. Please request a prolongation in January 2025.

The certification status is worldwide visible via the Service Data Base.
The results of the audit are summarised in the Audit Report based on document G052_50_20_05_Audi_Review_Presentation_R011_CZ_2021_09.

We congratulate you on your achievement.

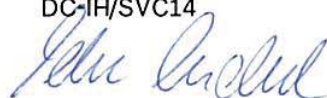

Yours sincerely

On behalf of Service Industrial Hydraulics
