At the bottom of the home page, there is a link that you can access by clicking on Rexroth Store.

Login to the Rexroth Store

Go to MyRexroth

You have now entered the start page. It may be appropriate to add this page as a favorite for convenience purposes.

To log in to the Rexroth Store, go to the myRexroth link at the top of the page.

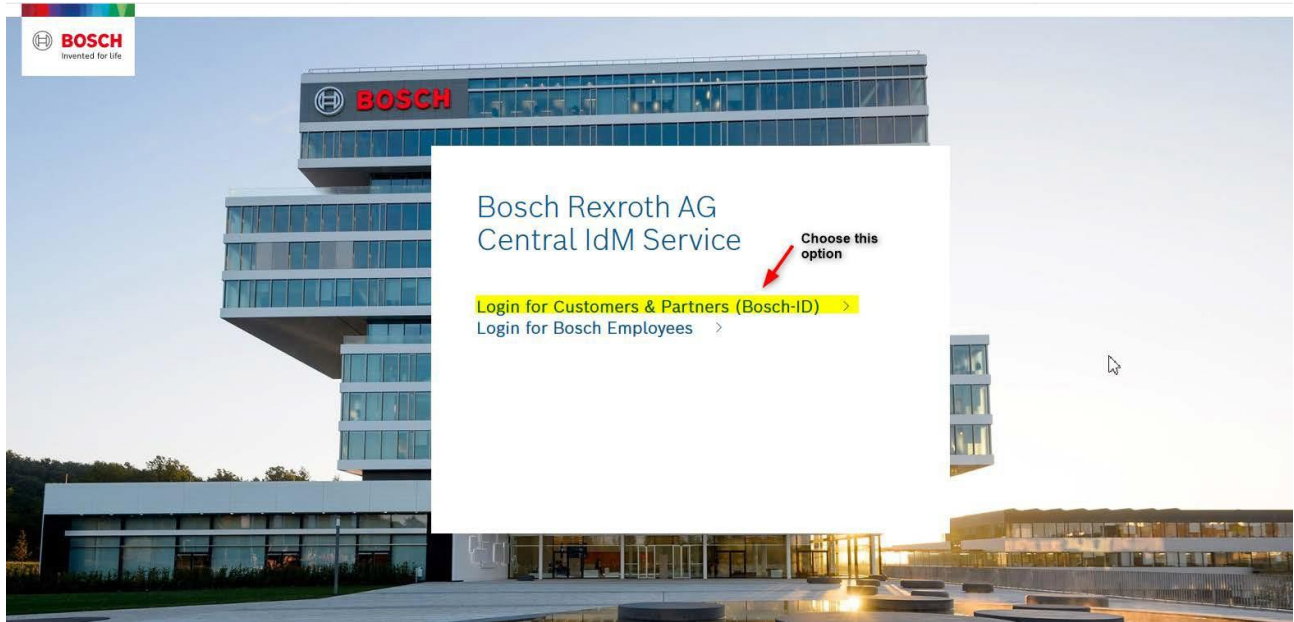

Login to the Rexroth Store

Register

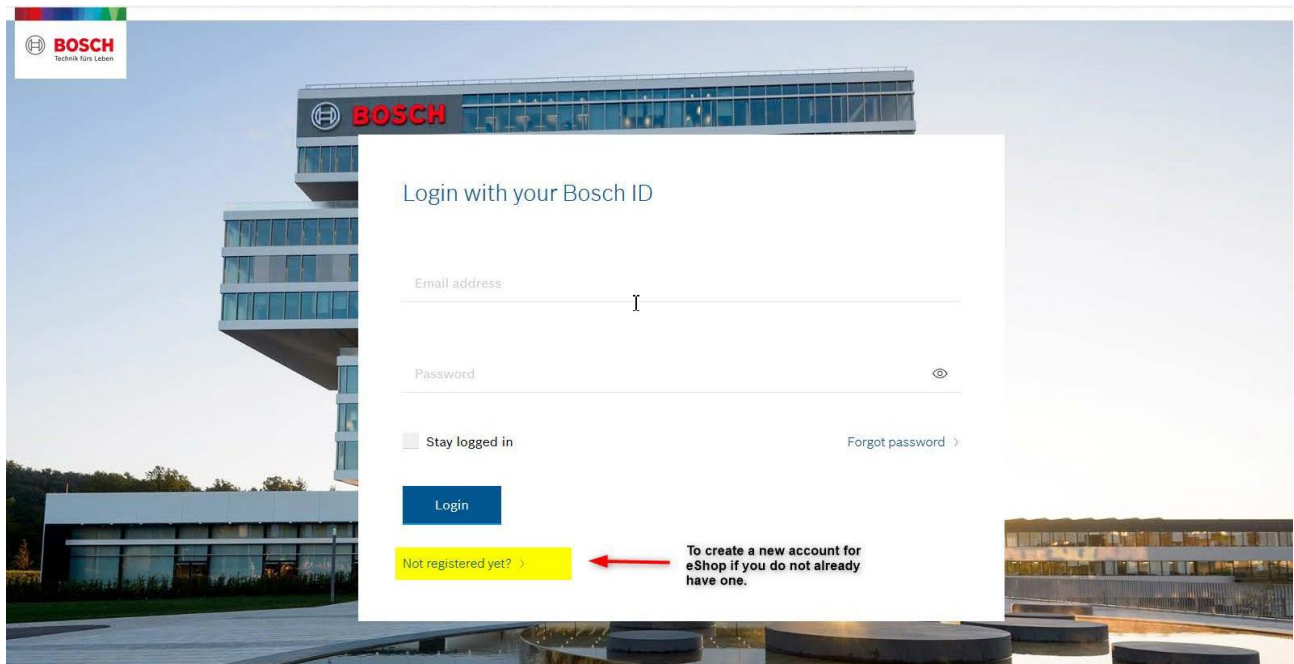

The screenshot shows the Rexroth Store website interface. At the top, there is a navigation bar with the Rexroth logo (A Bosch Company) on the left and navigation links for Contact, myRexroth, and Cart on the right. A search bar is also present. Below the navigation bar, the main heading reads "Rexroth Store". A sub-heading states: "With an account you can place orders, see shipping information, save wishlists, submit product inquiries and more. Please note that the Rexroth Store is for B2B customers only." Below this, a section titled "It all starts here:" contains a prominent red button with the text "LOGIN | REGISTER WITH BOSCH ID". A small information box below the button states: "Bosch ID is a secure and Bosch-wide uniform authentication service." The footer includes the page number "3", the document ID "DCNASLX18082022", and the copyright notice "© Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights." The Rexroth logo is also present in the bottom right corner.

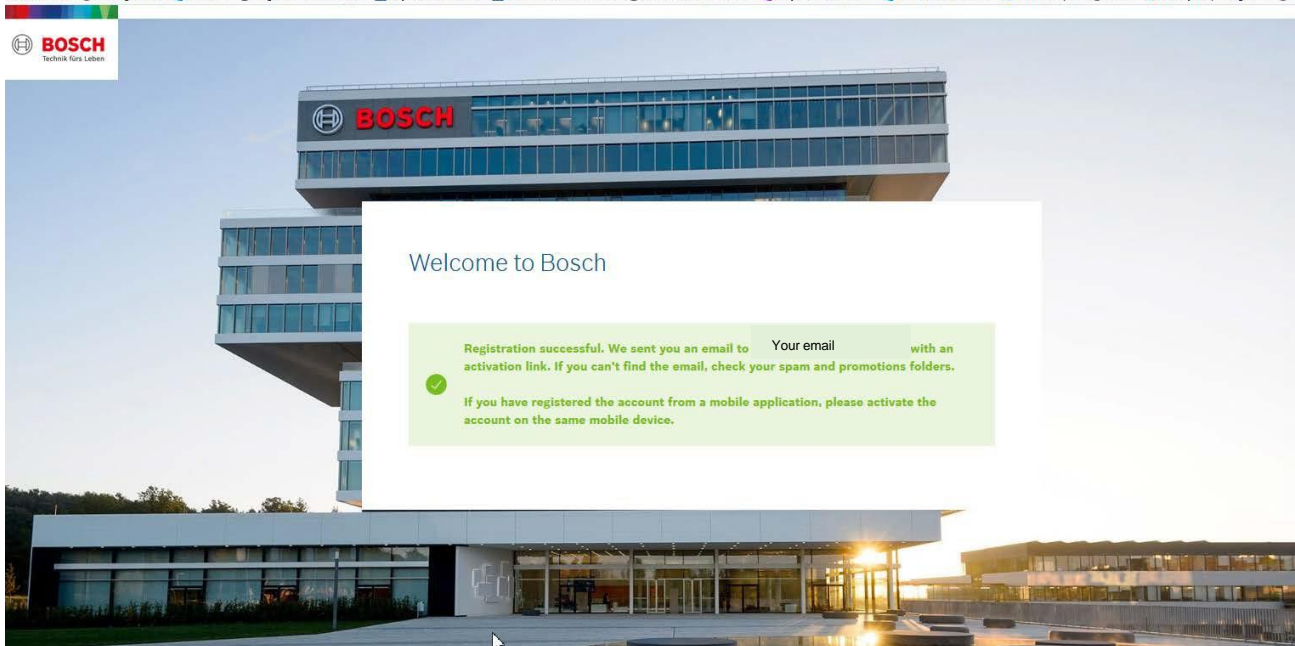

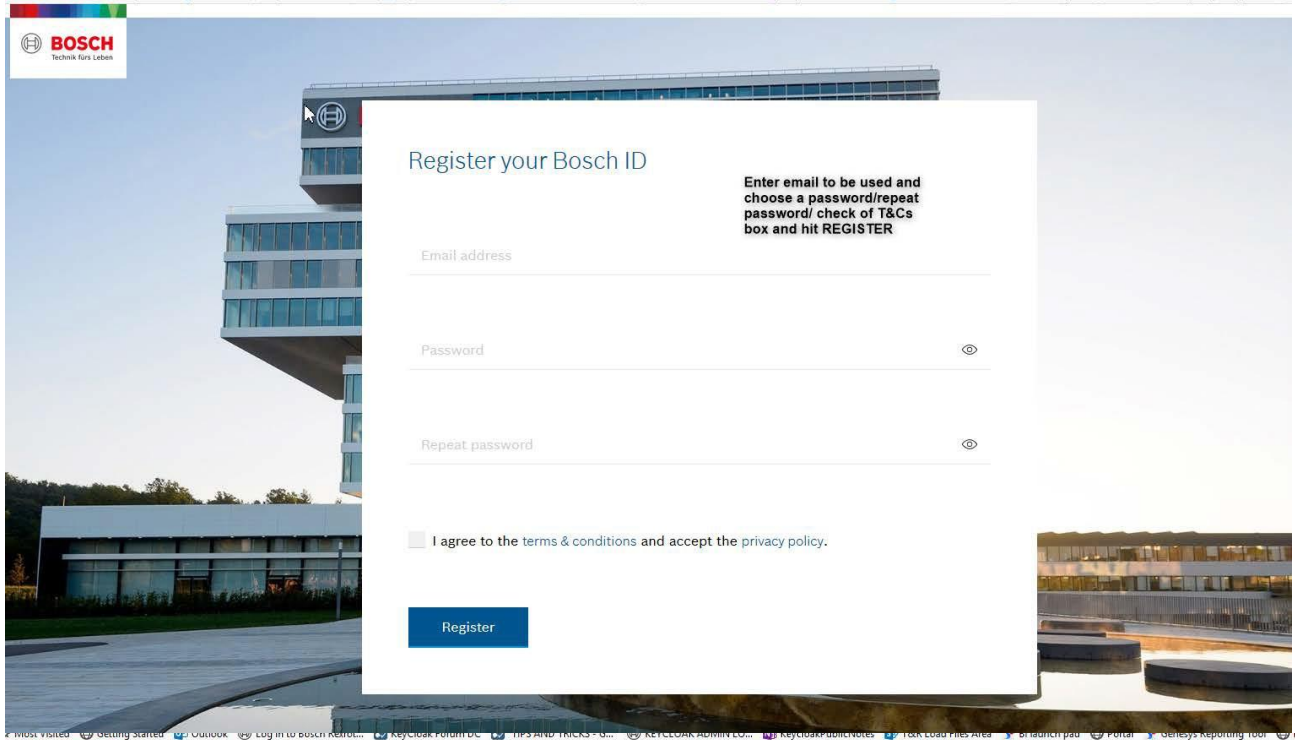

Here you will be greeted by a prompt to log in. Click on this to continue.

To login or register, follow the instructions on these next pages.

Hit "Not registered yet" to create a new Rexroth Store account and login.

rexroth
A Bosch Company

You will see a small red dot next to my Rexroth confirming that you are logged in and inside the Rexroth Store.

On the far left you will see our various product areas that you can click on.

On the far right, you will see products in your shopping cart that you have not yet ordered.

In the middle are your saved wish lists or shopping lists that you can open.

We start by looking at how to search for products

Section 2: Search

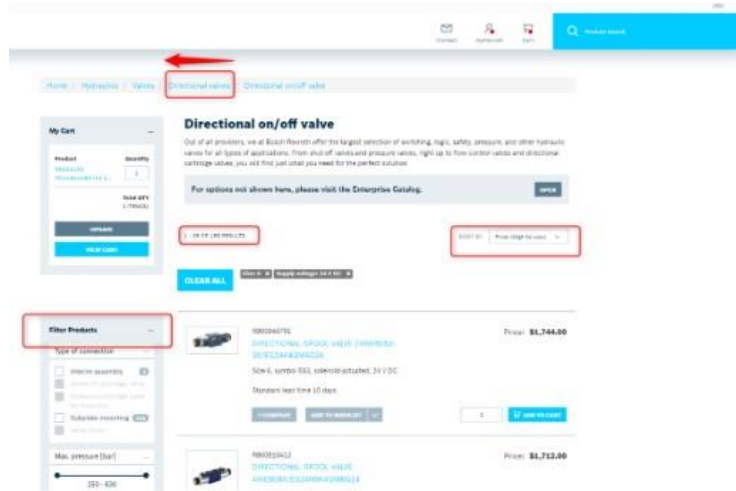

Search Product Browse the Category Tree

The screenshot displays the Rexroth website interface. On the left, a category tree is visible under 'Hydraulics', with 'Directional on/off valve' highlighted. The main content area features a 'My Wishlists' section with a product card for 'BALL BEARING BLOCK CARBON STEEL 4WD-015-FNS-C1-H-1' (part number R165111320) and a list price of \$162.61. To the right, the 'My Cart' section shows a total quantity of 1 item. The bottom of the page includes a footer with the page number '6', the document ID 'DCNASLX11806/2022', and the Rexroth logo with the tagline 'A Bosch Company'.

Browse the category tree to look for products in a category.

Search Product

rexroth
A Bosch Company

At the lowest node of a category, you will see a list of products. This list can be filtered using the filters on the left-hand side or sorted using the sorting options on the right.

Near the top of the page, there is a “breadcrumb” navigation menu that allows you to navigate “up” one or more levels in the menu structure.

Search Product

Search by full article number

The screenshot shows the Rexroth website interface. At the top left is the Rexroth logo with the tagline "A Bosch Company". A search bar at the top center contains the article number "R900561286" and a magnifying glass icon. Below the search bar, a navigation menu lists categories: Hydraulics, Gearboxes, Automation, Linear Motion Technology, Assembly Technology, and Tightening technology. The main content area displays the search results for "DIRECTIONAL SPOOL VALVE 4WE6J6X/EG24N9K4". A "My Wishlists" section shows a list with one item: "DIRECTIONAL SPOOL VALVE 4WE6J6X/EG24N9K4 R900561286" with a list price of \$429.00 and an "ADD TO CART" button. To the right, a product summary shows the product name, a quantity of 1, and a "VIEW CART" button. At the bottom, there is a "Featured Products" section and the Rexroth logo with the tagline "A Bosch Company".

5 DCNASLX118082022
© Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.

Quite often you may know what you are looking for. In the case that you have an article number on the product you want to search for then you can then enter the article number in the search box and search.

Search Product List View

The screenshot shows a web interface for searching products. At the top left, there is a breadcrumb trail: Home / Search Results. Below this, on the left side, is a 'My Cart' sidebar. The cart contains one item: 'PRESSURE TRANSDUCER HA 2...' with a quantity of 1. The total quantity is 1 item(s). There are buttons for 'UPDATE' and 'VIEW CART'. Below the cart is a 'Filter Products' section. The main content area is titled 'SEARCH RESULTS FOR "0510225006"'. A message states 'Cannot find the product you are looking for? Try Enterprise Search (1 results)' with an 'OPEN' button. Below this, it shows '1 - 1 OF 1 RESULTS' and a 'SORT BY' dropdown menu set to 'Lead time'. The product listing includes a small image of the gear pump, the article number '0510225006', the name 'HYDRAULIC GEAR PUMP AZPF-12-004RCB20KB', a description '4 cm³/rev, Clockwise rotation, Conical 1:5, Rectangular flange Dia. 80 mm, Square flange to fitting ISO 8434-1', and a 'Standard lead time 10 days'. At the bottom of the product listing are buttons for 'COMPARE', 'ADD TO WISHLIST', and 'ADD TO CART'. The 'ADD TO CART' button has a quantity input field set to '1'. In the bottom left corner, there is a page number '6' and a copyright notice: 'DCNASLX118082022 © Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.' In the bottom right corner, the 'rexroth A Bosch Company' logo is displayed.

The selected product appears on the page. Here you can see an article number, name, a short description of the product, and the standard lead time for the product.

You can also choose to compare this product with others if you wish or add the product to a wish list.

You can also add the product to your shopping cart if you wish

Search Product

Narrow Selection with Filter

The screenshot displays a web interface for searching products. On the left, there is a 'My Cart' sidebar showing a product 'PRESURE TRANSDUCER' with a quantity of 1, a total quantity of 1 item, and buttons for 'UPDATE' and 'VIEW CART'. Below this is a 'Filter Products' sidebar with two sliders: 'Max. flow [l/min - delete]' set between 52.9 and 90.0, and 'Size (geometric displacement) [cm³/rev]' set between 4 and 17. The main search area shows 'SEARCH RESULTS FOR "/>

rexroth
A Bosch Company

If you do not get a result on the article, it could be due to various reasons. There is a lot of material that we have in our systems that is not flagged for display in the Rexroth Store yet.

Try searching via "Enterprise search" which you will find at the top of the page. This search looks deeper into our systems.

Both separate search systems will be combined into one search system in 2023.

Search Product Enterprise Search

The screenshot displays the Rexroth Enterprise Search interface. At the top left is the Rexroth logo with the tagline "A Bosch Company". A search bar at the top right contains the text "azpf" and a search icon. Below the search bar, three product results are listed:

- 0510225011**

As a logged-in user with an account at Rexroth, you will see the Quick Add Products bar.

From here, you can add part numbers directly to the shopping cart at specified quantities.

The Quick Add button is available on the homepage (once logged-in), in the shopping cart (once logged-in), and as you are browsing the category tree as a logged-in full user.

Section 4: Wishlist

Wishlist

Add to Wishlist

The screenshot shows a product listing page for Rexroth. On the left, there is a 'Filter Products' sidebar with a 'Size' filter. The main content area shows two product cards for 'BALL RUNNER BLOCK CARBON STEEL'. A modal dialog box is open over the second product, titled 'New Wish List - 2022-09-18 16:01:09'. The dialog contains a text input field for 'NAME' and a 'CREATE WISHLIST' button. A red box highlights the 'ADD TO WISHLIST' button on the product card and the 'CREATE WISHLIST' button in the modal. At the top left, there is a 'Total Qty 1 ITEM(S)' summary with 'UPDATE' and 'VIEW CART' buttons. At the bottom left, there is a page number '12' and a copyright notice: 'DCNASLX1808/2022 © Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.' The Rexroth logo and 'A Bosch Company' are at the bottom right.

If you want to use a wish list, you start by clicking the arrow next to the "Add to shopping list" button. Give the list a name and then create the new list.

The shopping list is only available once you are logged in.

If there are several people in your organization who want to use the same list to make purchases, we recommend that you use .csv file upload feature.

The feature is called "Quick Add" and was described earlier in this manual.

Wishlist

On the Home Page

The screenshot displays the Rexroth Store home page. On the left, there is a navigation menu with categories: Hydraulics, Gearboxes, Automation, Linear Motion Technology, Assembly Technology, and Tightening technology. The main content area features two panels: 'My Wishlists' and 'My Cart'. The 'My Wishlists' panel shows a dropdown menu for 'List 3' with options for 'List 2', 'List 1', 'New Wish List -2022-08-18 16:01:09', and 'List 3'. Below the dropdown is a quantity field set to '0' and an 'ADD TO CART' button. The 'My Cart' panel shows a product 'PRESSURE TRANSDUCER HM 3...' with a quantity of '1', a total quantity of '1 ITEM(S)', and buttons for 'UPDATE' and 'VIEW CART'. The top navigation bar includes the Rexroth logo, 'Contact', 'myRexroth', 'Cart', and a 'Product Search' field. The footer contains the text '13 DCN/SLX|18/08/2022 © Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.' and the Rexroth logo with 'A Bosch Company'.

You can find the created shopping lists on the start page of the Rexroth Store.

If you click on the arrow, you will get a drop-down list where you can select the wish list you want to see.

Wishlist

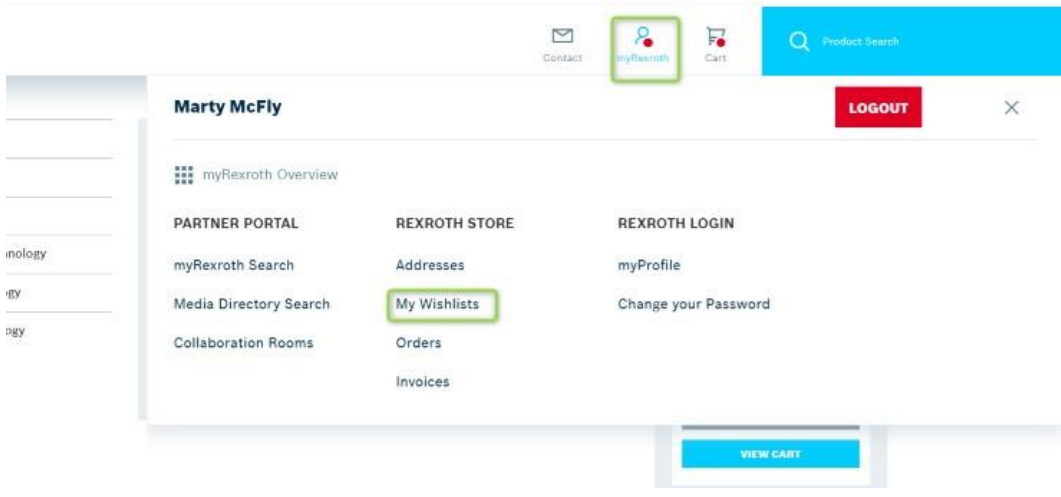

Change quantity

The screenshot displays the Rexroth website's user interface. At the top left is the 'rexroth Company' logo. The top navigation bar includes icons for 'Contact', 'myRexroth', and 'Cart', along with a 'Product Search' field. On the left side, there is a vertical menu with categories: 'Hydraulics', 'Gearboxes', 'Automation', 'Linear Motion Technology', 'Assembly Technology', and 'Tightening technology'. The main content area is divided into two panels: 'My Wishlists' and 'My Cart'. The 'My Wishlists' panel shows a dropdown menu set to 'List 3' and a product listing for 'BALL RUNNER BLOCK CARBON STEEL KWD-015-FNS-C1-H-1 R165111320'. The quantity for this item is currently set to '0', which is highlighted with a red box. Below the product name is an 'Additional info' link and an 'ADD TO CART' button, also highlighted with a red box. The 'My Cart' panel shows a table with two columns: 'Product' and 'Quantity'. The first row lists 'PRESSURE TRANSDUCER HM 2...' with a quantity of '1'. Below the table, it shows 'Total QTY 1 ITEM(S)' and two buttons: 'UPDATE' and 'VIEW CART'. At the bottom left, there is a page number '14' and a copyright notice: 'DCNASLX118082022 © Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.' At the bottom right is the 'rexroth A Bosch Company' logo.

Check that the quantities are correct. You can then add the items to the shopping cart by clicking "Add to cart".

Wishlist

Find My Wishlists

You can also access your wish lists via myRexroth.
To do so, click on MyRexroth and then "My Wish List" to access your shopping lists.

Wishlist

Manage Wishlist

The screenshot displays the 'My Wishlists' interface. At the top, there is a navigation bar with the Rexroth logo, contact icons, and a search bar. Below this, the 'My Wishlists' section features a 'CREATE WISHLIST' button and a dropdown menu for 'Addresses' and 'My Wishlists'. The main content is a table with the following data:

Name	Last Update	Clone	Edit	Delete
List 2	8/18/2022, 3:08 PM	CLONE	EDIT	DELETE
List 1	8/18/2022, 3:08 PM	CLONE	EDIT	DELETE
New Wish List -2022-08-18 16:01:09	8/18/2022, 3:08 PM	CLONE	EDIT	DELETE
List 3 (default list)	8/18/2022, 3:08 PM	CLONE	EDIT	DELETE

39 DCNASLX18/08/2022
© Bosch Rexroth Corporation 2022. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights.

Here you can create new shopping lists. It is feasible to give it a name and perhaps a description of what kind of list it is.

If you want this to be your default list, click in the box and save it to create the list.

You can also clone an existing list with all the articles being in the copy of the original list.

If you want to change the name or description on the shopping list, click on "edit" and a pop-up box will appear.

When you want to delete a wish list that you no longer use, click on the "Delete" button.

We offer several products that have different options or choices that must be specified for them to be possible to buy. When a material needs to be configured, a button appears that prompts you to configure the product. In this case, the length of the rail needs to be specified. Click the configure button.

Configure product

Finish the configuration

The screenshot shows the Rexroth product configurator interface for ball guide rails. The page title is "Ball guide rails" and the product type is "Kugelschiene CS KSA-025-SNS-A-MA-AK". The interface includes a navigation bar with "Sprache", "Kontakt", and "Login" options. Below the title, there are buttons for "Load configuration", "Save configuration", and "Consultation request". The main content area displays a technical drawing of the ball guide rail with a dimension line indicating the length. The length is set to "1000 mm (min/max = 80/5816) ±1.5 mm". A "Continue" button is highlighted with a red box. The footer contains the text "30 DCENSLF1-SE | 04/12/2021 © Bosch Rexroth AB 2021. All rights reserved, also regarding any disposal, exploitation, reproduction, editing, distribution, as well as in the event of applications for industrial property rights." and the Rexroth logo.

The configurator is a separate program; therefore, the layout looks a little different. Enter the length in the box and click continue. Depending on how many options need to be specified, new boxes will appear. Continue until you are through them all.

Configure product Request CAD, and add to cart

The screenshot shows the Rexroth product configurator interface for Ball guide rails. The interface is in German and displays various configuration options for the product. The options are listed on the right side of the screen, including Material (CS - Carbon steel), Mounting (M3 - Splicing from above), Cover (AK - Plastic mounting hole plugs), Accuracy class (N - Normal), Sections (One-piece (min)/max - 80/520.62 mm), Wunschlänge und T1 (1000 mm - Tolerance ± 0.5 mm), and T1 (20 mm - Tolerance ± 0.10 mm). At the bottom of the configurator, there are several buttons: 'Product description', 'Request CAD model', 'Documentation', and 'Add to basket'. The 'Add to basket' button is highlighted with a red box, indicating the next step in the process.

A Bosch Company

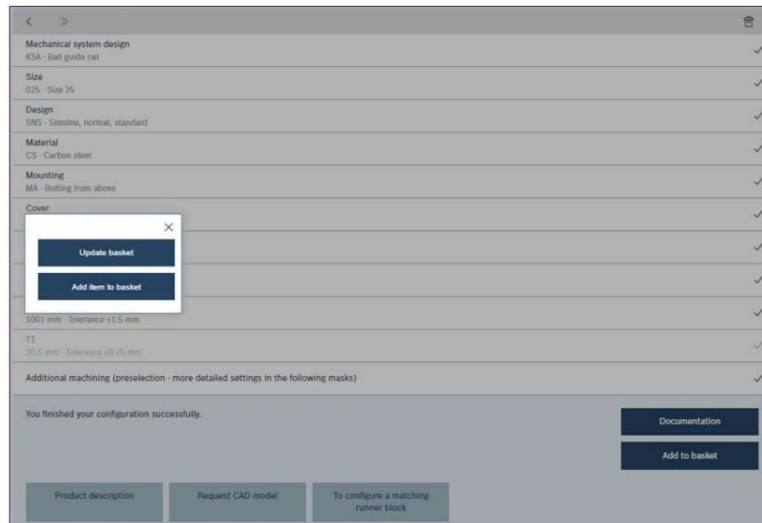

When you have gone through the choices, you will come to the last page where you can download a cad file of the product.

If you want to add the product to your shopping basket, click on "Add to basket".

If there is already a product in the shopping cart with the same article number, you will get a pop-up box asking if you want to add this as a new article to the cart or if you want to update the one that is already there.

If you want to create more articles with the same article number but with a different length, click on the line in the configurator where you want to make the change. You then click through the remaining steps in the configurator until you reach the end again. Add this to the shopping cart and select that you want to add this as a new product.

Configure product Update or add new

Sometimes a pop-up box appears asking if you want to update the product in the shopping cart or if you want to add an additional product. This functionality can be useful if you must configure several products that are the same except for, in this case, the length.

Configure Products

Materials are added to the Rexroth Store

A pop-up will appear informing you that you have added products. Click "OK".

Configure product Return to the Rexroth Store

The screenshot shows the Rexroth product configuration interface for ball guide rails. The page title is "Ball guide rails" and the product type is "Kugelschiene CS KSA-025-SMG-N-MA-AK". The interface includes a navigation menu on the left, a main configuration area on the right, and a bottom section with buttons for "Product description", "Request CAD model", "Documentation", and "Add to basket". A small shopping cart icon is visible in the top right corner, highlighted with a red box.

Configure Products

Ability to adjust configuration

On the article, there is now a new button that you can use if you want to view or change the configuration of the product.

Section 7: Checkout

Checkout Calculate Cart

The screenshot displays the 'My shopping cart' interface. At the top, there is a 'Delete Cart' button. Below it, a 'REQUESTED SHIPPING DATE' field is set to '08/18/2022' with a calendar icon. A note states 'Charge all items in the cart'. The cart contains one item: 'BALL RUNNER BLOCK CARBON STEEL KWD-015-FN5-C3-H-1' with a quantity of 1. A 'Delete' button is next to the item. A 'Calculate cart to see price & availability' button is positioned to the right of the item. Below the item list, a dark blue bar contains the text 'Calculate cart to see price & availability' and 'ITEM TOTAL'. A red arrow points from this bar to a red 'CALCULATE CART' button at the bottom. To the right of this button is a grayed-out 'PROCEED TO CHECKOUT' button. A message below the buttons reads 'Calculation might take a while. Please wait.' with a 'Request For Quote' link. The footer includes the page number '27', the document ID 'DCNASLX1808/2022', copyright information for Bosch Rexroth Corporation 2022, and the Rexroth logo with the tagline 'A Bosch Company'.

In the shopping cart, the “Proceed to Checkout” button will be grayed out until you click on “Calculate Cart”. The Calculate Cart button triggers a simulation from Bosch Rexroth ERP system to return real time availability and price information.

The Calculate Cart button was implemented so that the shopping cart does not automatically run a simulation every time the user enters the shopping cart. Sometimes the ERP simulation can take a while.

Delivery Address

The first step is to check that your information is correct, and that the delivery address is correct.

If you have several delivery addresses saved with us, you can find these under "Address book". Click on the link and a pop-up will open. Choose your shipping address.

If you do not see the option to select different shipping addresses, but need to add another shipping address, please contact your sales representative.

Section 9: Order and Invoice History

Order and Invoice History

Find orders

The screenshot displays the myRexroth user interface for a user named Marty McFly. At the top right, there are navigation icons for 'Contact', 'myRexroth' (highlighted with a green box), and 'Cart'. A blue search bar labeled 'Product Search' is also visible. Below the user name, there is a red 'LOGOUT' button. The main content area is divided into three columns: 'PARTNER PORTAL' with links for 'myRexroth Overview', 'myRexroth Search', 'Media Directory Search', and 'Collaboration Rooms'; 'REXROTH STORE' with links for 'Addresses', 'My Wishlists', 'Orders' (highlighted with a green box), and 'Invoices'; and 'REXROTH LOGIN' with links for 'myProfile' and 'Change your Password'. A blue 'VIEW CART' button is located at the bottom right. The footer contains the page number '41', a document ID 'DCNASLX1808/2022', copyright information for Bosch Rexroth Corporation 2022, and the Rexroth logo with the tagline 'A Bosch Company'.

To view and track your orders, click on MyRexroth at the top of the page, then click on “Orders”.

You will see your company's order history with Bosch Rexroth.

You will not only see orders that have been created via the Rexroth Store, but also orders that we have been created via EDI or other order entry mechanisms.

Order and Invoice History

Find orders

The screenshot shows a web application interface for 'My Orders'. At the top, there is a search bar with 'SEARCH BY' and 'ORDER NUMBER' fields, and a 'SEARCH' button. Below the search bar is a table with the following columns: Order Number, Purchase Date, PO Number, Amount, Status, and Documents. The table contains ten rows of order data. A 'My Orders' dropdown menu is visible on the right side of the interface.

Order Number	Purchase Date	PO Number	Amount	Status	Documents
8112887	28/12/2022	8441875	\$38,47	VALID	
8112886	28/12/2022	8441873	\$1,714.81	VALID

Find invoices

Go to your invoices by clicking on the link shown above.

Order and Invoice History

Find invoices

The screenshot shows a web application interface for managing invoices. On the left, a table titled 'My Invoices' lists various invoices with columns for invoice number, date, status, and amount. A green arrow points to a PDF icon in the first row. On the right, a sample invoice PDF is displayed, showing the 'rexroth' logo and detailed financial information.

Invoice No.	Issue Date	Invoice No.	PO No.	Status	Amount	Due
888001108	08/01/2022	088001108	88800107	Payment 04/10/24	880.01	40/08/2022
888001107	08/01/2022	088001107	88800108	Payment 04/10/24	180.84	40/08/2022
888001106	08/01/2022	088001106	88800109	Payment 04/10/24	1288.87	40/08/2022
888001109	08/01/2022	088001109	88800108	Payment 04/10/24	1004.72	40/08/2022
888001111	08/01/2022	088001111	88800108	Payment 04/10/24	3707.82	40/08/2022
888001112	08/01/2022	088001112	88800107	Payment 04/10/24	880.81	40/08/2022
888001100	08/01/2022	088001100	88800108	Payment 04/10/24	200.81	40/08/2022
888001101	08/01/2022	088001101	88800108	Payment 04/10/24	1808.44	40/08/2022
888001102	08/01/2022	088001102	88800108	Payment 04/10/24	1100.88	40/08/2022
888001103	08/01/2022	088001103	88800108	Payment 04/10/24	1100.88	40/08/2022

You can search and filter for invoices and payment status on the invoice overview screen.

Invoices are only available once your products have shipped. If the items on an order have shipped in multiple packages, you may see more than 1 invoice per order.

To download an invoice, search by the sales order number, and then click on the pdf icon.

The invoice that your organization has received from Bosch Rexroth will be displayed.

To get to an invoice, you can also click on "Order number" on the invoice overview screen. You will be taken to the order details page. From the order details page, there is also an option to see the invoice(s) associated with an order.

Thank you for choosing Bosch Rexroth!
