1 Introduction to the Registration Process

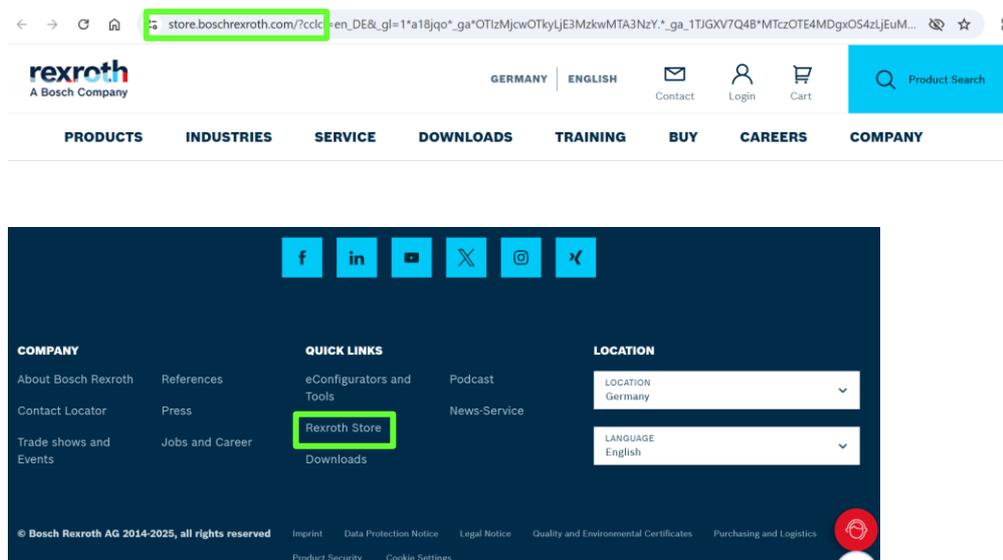

1.1 Features of the Bosch Rexroth Store

To access all the features of the Rexroth Store, you need to create a SingleKey ID and complete your profile. This user account offers a range of helpful tools to enhance your shopping experience. You can view shipping information, track your order status, and create wish lists to save your favorite products. Additionally, you can submit specific product inquiries for more information or quotes. These features help you find the products you need more quickly and make your shopping more efficient.

If you already have a SingleKey ID, you only need to complete your profile (chapter 2.2).

1.2 How do I Access the Store?

To ensure you're set up for the Rexroth Store, start the registration from the Store itself and not from the main website. You'll know you're in the store when the browser's address bar starts with **store.boschrexroth**. You can reach this via the Quick Link to the Rexroth Store at the bottom of each webpage.

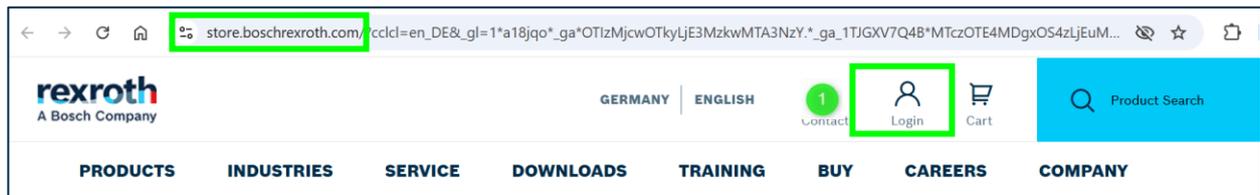

Alternatively, you can directly use the following link:

Norway: <https://store.boschrexroth.com/nb/no>

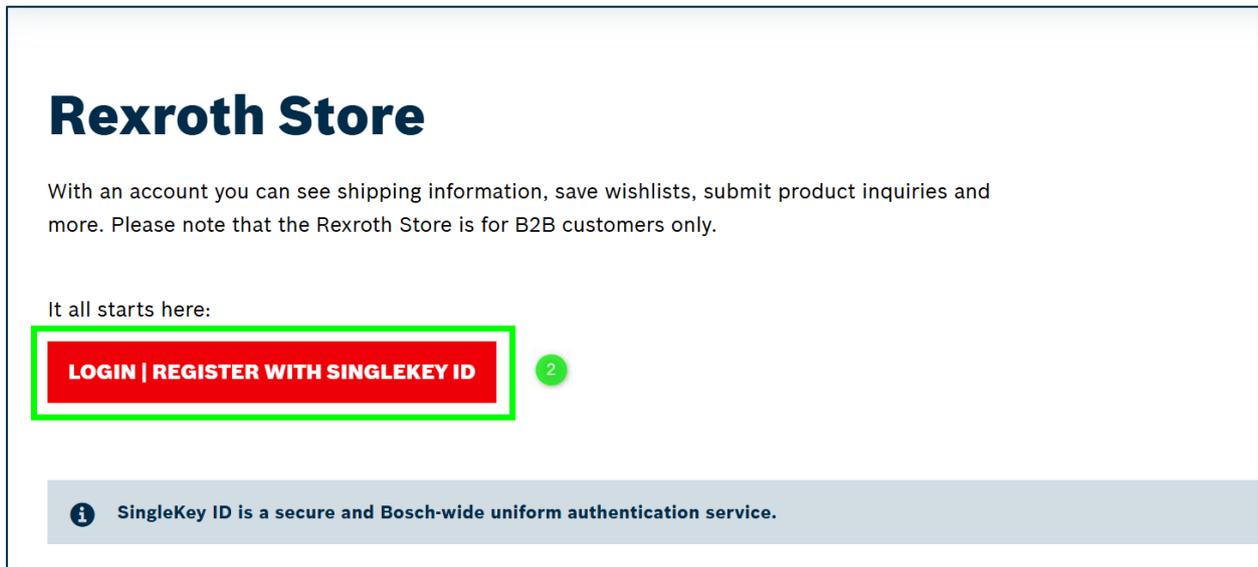

2 Registering with SingleKey ID

2.1 Registration Process

By clicking the “**Login**” button, you'll be directed to the login and registration page. You can also reach this page by clicking the Login button from your cart or when starting a request before logging in.

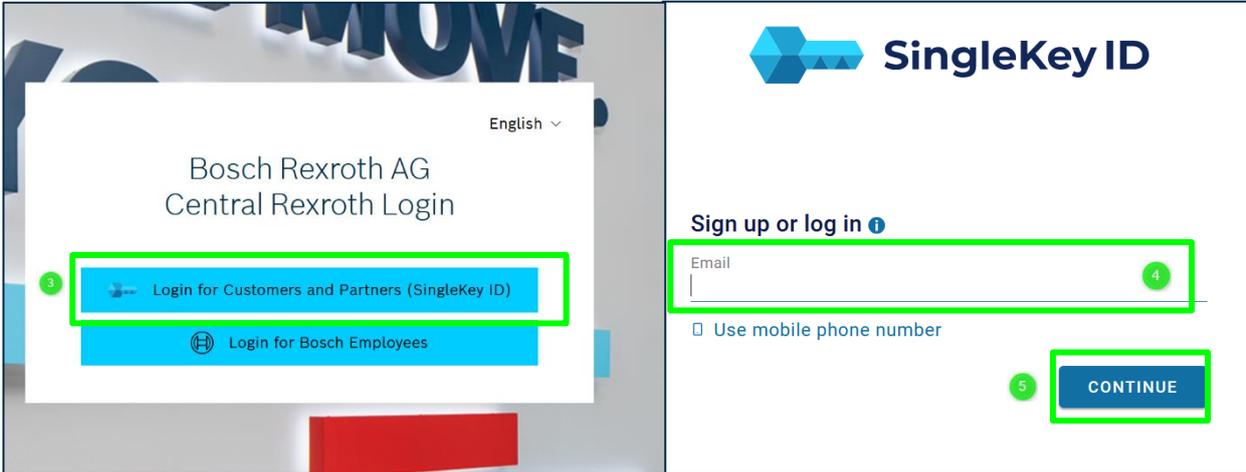

Next, click the **LOGIN | REGISTER WITH SINGLEKEY ID** button to proceed with registration.

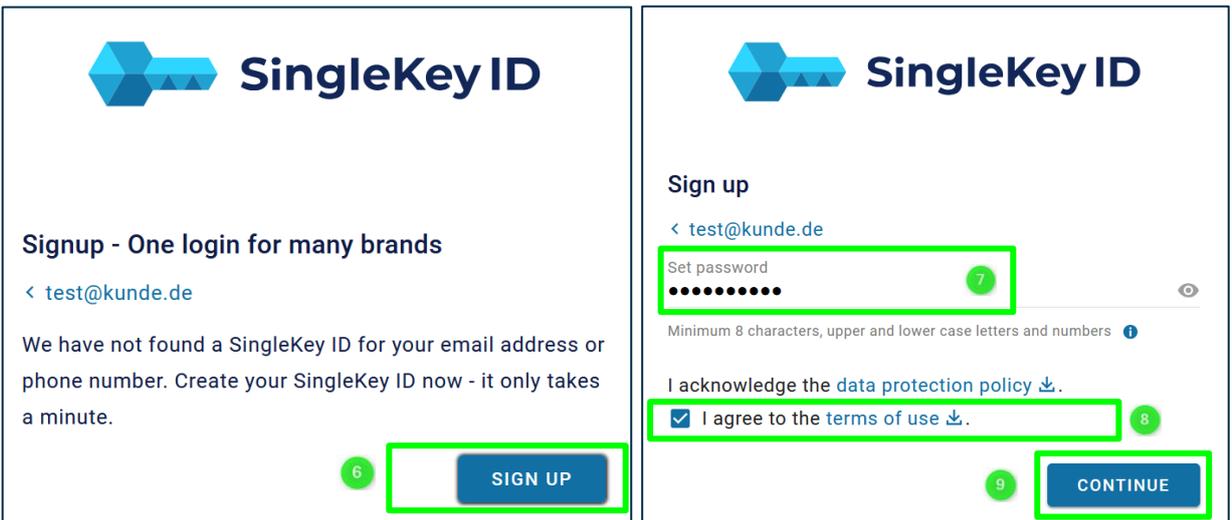

Registration / Login / Profile: Registration process

On the following page, select “**Login for Customers and Partners (SingleKey ID)**”. You'll then be asked to enter your **email address or mobile number**. To avoid additional questions during registration, please use your company's email address or mobile number. Then, it will be checked if you already have a SingleKey ID.

After you enter your details, you'll be directed either to sign up or register. To set up a SingleKey ID, you'll need a **password** along with your email address. You can find the password requirements in the next screenshot.

Once you agree to the terms of use and acknowledge the data protection policy, you can finish the registration by clicking the “**CONTINUE**” button.

Registration / Login / Profile: **Registration process**

You'll receive an email at the address you provided with a **security code** needed to activate your SingleKey ID. If you don't receive the email, check your spam or junk folders, or request a new security code.

Activate your account by entering the security code to sign in with your new SingleKey ID. Then click **"FINSIH SIGNUP"** to finalize the process.

SingleKey ID

Check your emails

To verify your email address, enter the six-digit security code we have sent to @bosch.com. Please enter the security code within 30 minutes:

Code not received? Request a new code in 00:23

Your requested security code is:

This security code is valid for 30 minutes (generated at 2024-10-02T06:27:58). Please enter it in the corresponding input field.

Having issues? Check out our [FAQs](#) or contact help@singlekey-id.com.

Your SingleKey ID team

SingleKey ID offers convenient access to websites, shops, apps and services from many brands with one single login.

Robert Bosch GmbH, Robert-Bosch-Platz 1, 70839 Gerlingen-Schillerhöhe, GERMANY Registration court: District Court Stuttgart HRB 14000 Value-added tax identification number: DE811128135 Members of the Board of Management: Dr. Stefan Hartung, Dr. Christian Fischer, Dr. Markus Forschner, Stefan Grosch, Dr. Markus Heyn, Dr. Frank Meyer, Katja von Raven, Dr. Tanja Rückert

2.2 Update Profile Information

If you're using the Rexroth Store with a Bosch SingleKey ID for the first time, you'll need to fill out your profile information. Required fields are marked with an asterisk. To ensure you get the right permissions, select either a **full user account** or a **guest user account**. Click the "Read more here" hyperlink in the form for more details. If you choose full user account, the **Rexroth customer number** also becomes a required field, even if it's not marked with an asterisk. If you don't know your Rexroth customer number, please contact your sales representative to find out. If you need access for multiple customer numbers, you can enter all of them separated by commas or semicolons in the appropriate text field.

Once you've completed your profile and saved it by clicking "**Submit**" you can use all the features of the Rexroth Store immediately with guest user account.

Note: Full user accounts can also use the store immediately like guest users, but full functionality (custom prices, orders, inquiries to Bosch Rexroth, etc.) is only available after completing registration. You will receive an email once this is done.

The screenshot shows the registration form for digital offers of Bosch Rexroth AG. The form is titled "Your registration for digital offers of Bosch Rexroth AG" and includes a language selector (English) and a note about required fields. The form is divided into several sections: "Your name" (Salutation, First name *, Last name *), "Location" (Country of your registered office *, Language *), "Account types" (Account type * with radio buttons for Full user and Guest user), "Company information" (Name of Company *, Department, Tax Number, Rexroth customer number), "Contact information" (Telephone *, Mobile), "Your name" (Nickname), and "Postal information" (City, State, Street, Postal code). A green box highlights the "Account type" section, and a green arrow points to the "Full user" radio button with the text "Selection of account type". A "Read more here" link is also highlighted in green. At the bottom, there are "Submit" and "Cancel" buttons.

Please note that we regularly check if the email address you provided is still active. You will receive an email with a link to confirm this.
