

**Take your drive performance to the next level**

# The perfect opportunity to upgrade to the latest technology

## GAIN ACCESS TO HIGH PERFORMANCE AND LONGER LIFETIME

Our Hägglunds hydraulic motors are known for their reliable performance and long service life, but they're also continuously developed. The time has come to say goodbye to the Marathon motors and welcome the new and improved Hägglunds motors.

Hägglunds have introduced a new generation motors with the Hägglunds CA, CB and CBm series that can smoothly replace the old and obsolete Marathon motors. With a smooth upgrade for your application, we've made it easy to make the switch with a plug and play solution.

We as the original manufacturer can support you with the mechanical and hydraulic modifications needed to mount the new generation motors.

## ADVANTAGES OF THE NEXT GENERATION HÄGGLUNDS MOTORS FOR YOUR APPLICATION DRIVE

- ▶ New generation motors replace obsolete ones with the latest technology.
- ▶ New possibilities to optimize for higher efficiency.
- ▶ Lower retrofit costs through an attractive package.
- ▶ Extended service life.
- ▶ Service agreements available including e.g. predictive maintenance with Hägglunds CMP and possibility to get extended warranty if the installation is made by authorized Bosch Rexroth service experts.
- ▶ One authorized Rexroth service expert responsible for your entire Hägglunds drive system.

# Get the most out of your drive solution
