

Product comparison

Product	Load-bearing capacity	Accuracy	Applications
Compact modules	+++	+++	simple to high-precision handling tasks
Linear modules	+++	++	simple to high-precision handling task
Precision modules	++	++++	normal to high-precision handling tasks
Ball rail tables	++++	++++	high-precision handling tasks
Omega modules	++	++	simple, normal handling tasks
Feed modules	+	++	simple, normal handling tasks
Linear motion slides	+	+	simple handling tasks
Drive units	++	+++	simple, normal movement tasks
