

Curriculum Vitae

Dipl.-Wirt.-Ing. Holger von Hebel
Member of the Executive Board of Bosch Rexroth AG

01.11.2022

Holger von Hebel has been a member of the Executive Board of Bosch Rexroth AG since October 2021 with responsibility for commercial activities, purchasing, logistics, IT and human resources of Bosch Rexroth AG. Since November 2022, he has additionally been responsible for the mobile hydraulics business.

After studying industrial engineering, Holger von Hebel began his career as a trainee in the Bosch Group. After holding various management positions in Germany and abroad, he became Commercial Director of the Bosch subsidiary SIG Pack International AG in Switzerland in 2004.

From there, he moved to Bosch Solar Energy AG in 2008 as Chairman of the Divisional Board of Management.

In 2013, he joined Bosch Rexroth AG as Commercial Director of the Industrial Applications business unit. Two years later, he became Commercial Director of the Business Unit Mobile Hydraulics.

From 2017 to 2021 he was Managing Director of the Business Unit Mobil Hydraulics with overall responsibility including commercial activities (the latter responsibility until Sept. 2021).
