

# Curriculum Vitae

**Dipl.-Ing. (FH) Thomas Donato**  
Member of the Executive Board of Bosch Rexroth AG

01.11.2022

Thomas Donato has been a member of the Executive Board of Bosch Rexroth AG with responsibility for the Business Unit Mobile Hydraulics since January 2022. Since November 2022, he has been responsible for global sales, marketing and the factory automation business.

After studying electrical and controls engineering, he started his professional career as a project manager at ABB Robotics GmbH, followed by positions as Key Account Manager and Head of Sales & Product Management in the Powertrain Business Unit.

He then joined Rockwell Automation Inc., where he held various positions in the field of Life Sciences before being promoted to Director, System and Solutions Business EMEA. As Regional Sales Director, his responsibility spanned the company's entire automation and service & solution portfolio. He then held executive positions in Canada and Belgium. Most recently, he was Rockwell's Senior Vice President responsible for Global Sales and Marketing.
