

Security Advisory

IndraWorks – Installation problem

1 Advisory Information

Advisory ID: BOSCH-SA-778363

Published: 08 Oct 2019

Last Updated: 08 Oct 2019

2 Summary

Microsoft has released important security updates (ThreatCon 6) for the Windows10 (KB4522015) and Windows 7 (KB4522007, KB452415) operating systems.

The installation of these security updates led to an interrupt termination of an IndraWorks installation.

3 Affected Products

- ▶ IndraWorks

4 Solution

Replace the above Microsoft security updates with newer versions:

- ▶ Windows 10: KB4519338 [1], [3]
- ▶ Windows 7: KB4519976 [2], [4]
